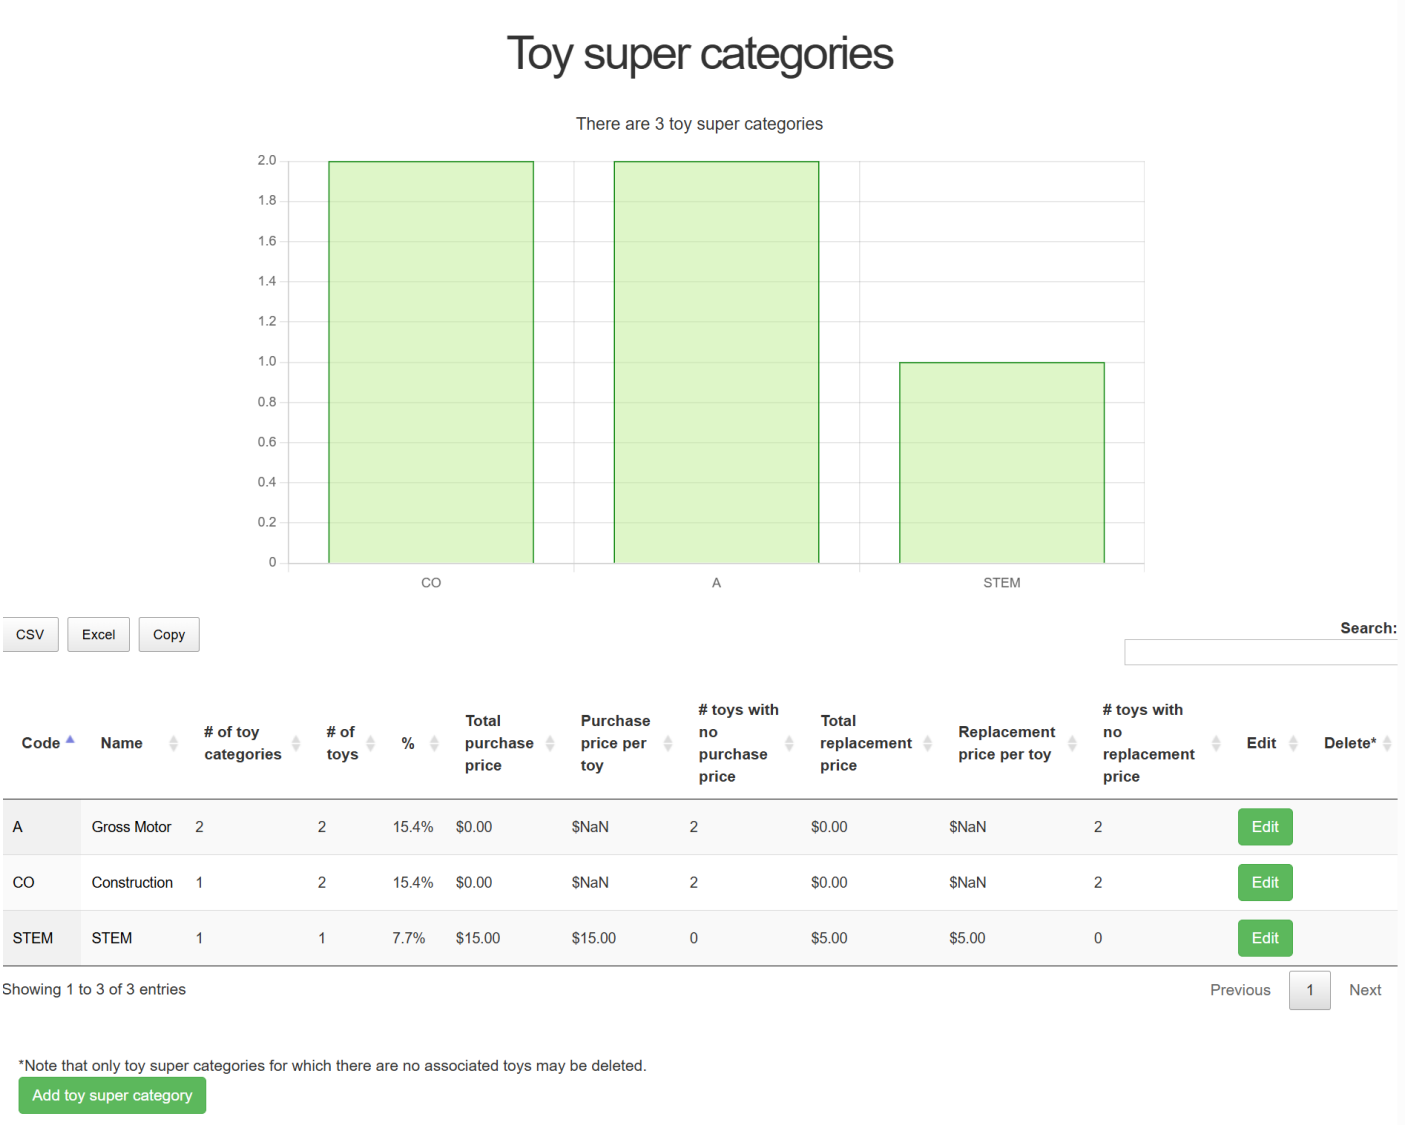
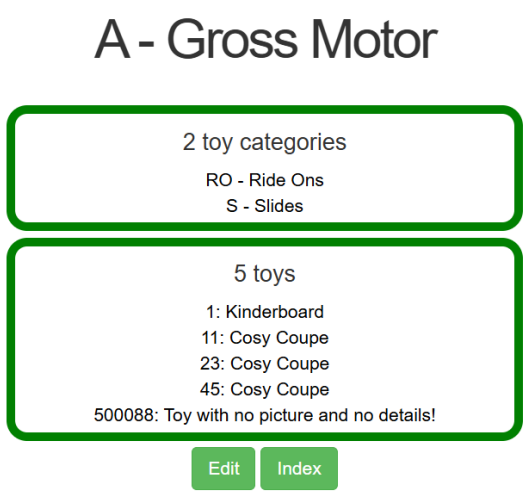
Super Categories

Super Categories is a feature that can be turned on via the Settings page.

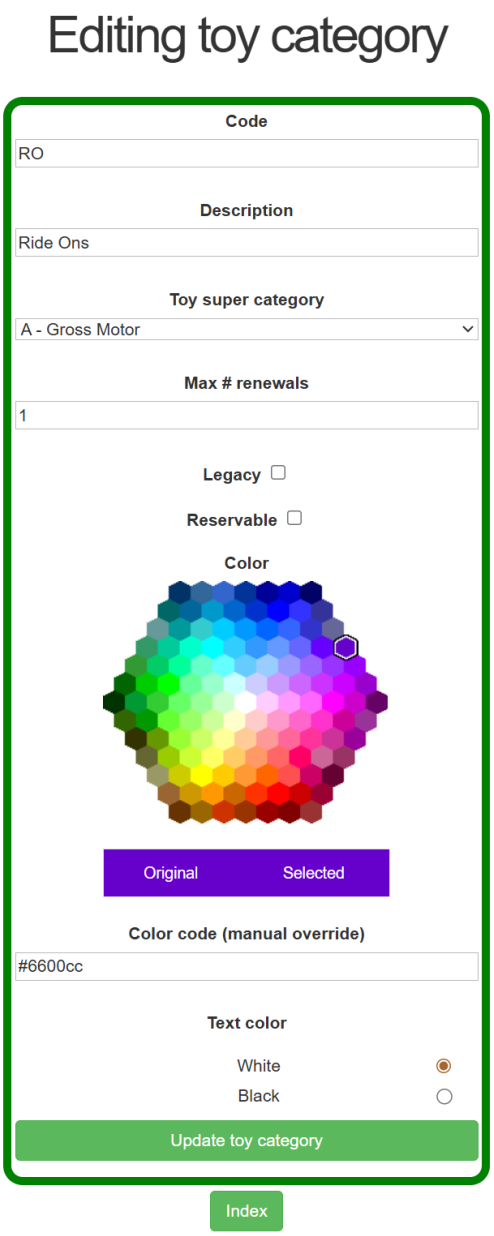
Set the super category options via the Super Categories page, under the Toys drop down menu.

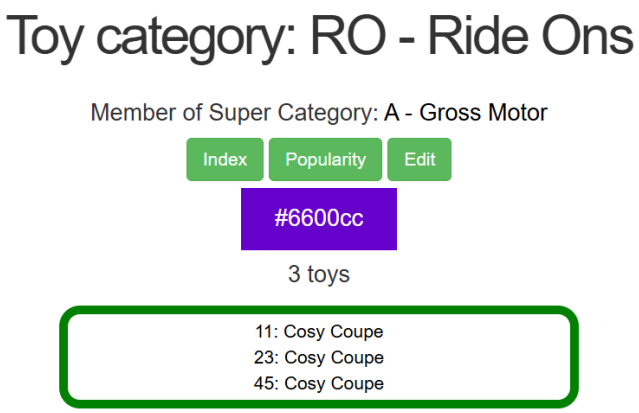


Viewing a Super Category will show all Categories associated with that Super Category, and all the toys within those Categories.



When editing or creating a Category, a Super Category can be selected:





When editing/creating a new toy, Categories will be sorted by Super Category. Note: Super Category does NOT display on the toy's page.
