

Renewing Memberships

This page generously contributed by the Townsville Toy Library committee.

Membership Renewal

Once a membership is within 4 weeks of expiry an alert will be shown at the top of the borrow/return screen (the alert will be orange if it hasn't expired but will in less than 4 weeks, it will be red if the membership has expired). This alert is also shown to the member at their login level, but will not have the renew membership form.

If a member wishes to renew before the 4 weeks, it can be done through their Membership history link - the renew membership form is always available there.

To renew a member's membership

1. In Member Type, choose the correct membership level.
2. The start and end date are pre-populated according to the Member's current Member type (also known as **Member kind**). If the member is changing types, you may need to correct the end date ie if this member decides to change to a 6 month membership, the end date would need to be corrected to 2022-09-01.

3. Click Renew Membership. If the member has not completed the required volunteer commitments for their Member kind, you will be asked to confirm. Note: if you experience any lag or issues on this form, do not refresh or repeatedly click the button - each click sends through the command to create a new membership history, and you may accidentally give your member 5 copies of the same membership! Report any issues to admin@setls.com.au
