Volunteer History

This page displays the members volunteering history and nominations. You can also nominate upcoming volunteering sessions here, or through the calendar.

Non-standard tasks can also be allocated by creating a description (ie repairing costumes, putting up posters, etc) and nominating.

Confirming the nomination will allocate a credit for that row, and indicates the roster/task has been completed.

"Send email" sends the Missed Volunteer Duty email, set in Automatic Emails.

Volunteer history is also shown in the bottom right box on the member's page at all times, with colours indicating status:

Red - no shifts nominated or completed

Orange - some shifts nominated and/or completed

Green - volunteer requirements met (applies in the case of non-volunteering type memberships as well).

This same information is also present in the member's Membership History table.

Volunteer requirements are set through Member Kinds.
