

Volunteer History

This page displays the members volunteering history and nominations. You can also nominate upcoming volunteering sessions here, or through the calendar.

Non-standard tasks can also be allocated by creating a description (ie repairing costumes, putting up posters, etc) and nominating.

Confirming the nomination will allocate a credit for that row, and indicates the roster/task has been completed.

"Send email" sends the Missed Volunteer Duty email, set in Automatic Emails.

Green - volunteer requirements met (applies in the case of non-volunteering type memberships as well).

This same information is also present in the member's [Membership History table](#).

Volunteer requirements are set through Member Kinds.
