

Alerts (Member Page)

Member Page

Member alerts can be also set as a pop up through toy library settings. If this setting is turned on, alerts will be displayed when the member's page is opened. There is a cool down period of 10 minutes so if the member's page has been visited in the past 10 minutes, the pop up will not appear again. However, the alerts are always visible in the Alerts box to the right of screen, and can be added/edited/deleted through this view.

The screenshot shows a web browser window with the URL <https://sampletoylibrary.setls.com.au/users/1847>. The page displays a member's profile for ID 1847. The page includes a navigation bar with 'ADMIN' and 'Member select...' options. The main content area shows the member's name '1847: Borer' and a red banner indicating 'This was 3 years, 4 months, 5 days ago.' Below this is a 'Member type' section with a dropdown menu set to '2 Child Family', 'Date start' of '2018-10-07', and 'Date end' of '2019-10-07', with a 'Renew membership' button. A 'Loan a Toy' section is also present. On the right side, there are several green boxes containing member information: 'Albert (male, 11 years and 6 months)', 'Henry (male, 7 years and 7 months)', '0 distinct current missing pieces', and 'Private member notes (0)'. At the bottom right, there is an 'Alerts' box with 'Update alerts' and 'Delete alerts' buttons, the latter of which is circled in red. A left sidebar contains various settings like 'Loan a toy/show current loans (0)', 'Bond', 'Automatic emails', 'Children', 'Click and collect', 'Holds (0)', 'Login history', 'Profile', 'Previous loans (0)', 'Reservations (0)', 'Membership card (PDF)', 'Membership history', 'Missing pieces', 'Transaction history', 'Username / password', and 'Volunteer history'.
