Lists focussing on Member Details

Location: Members/Members (Other Member Lists button)

These lists focus on current members and have the following options:

Contact email, phone numbers, and child details: This includes number of children, and children's names and DOB (if recorded)

With email: List of members who have emails in either Email 1 and/or Email 2.

With no email: List of members who have no affiliated email.

Focussing on addresses: Membership name (Member1 & Member2 on one line), plus street address, suburb, latitude and longitude - this list is designed to help generate a paper mailing list. It also contains links to the Members Markermap or Members Heatmap.
