

Reporting Missing Pieces

To report a missing piece, there two options - either allocate it to a previous borrower, or designated it as "unknown" (previously labelled as Lost in Toy Library).

Select the option appropriate for the scenario using the links on the left hand side of the screen.

Report as missing

Click on the *Report as missing* button.

You should now see the following screen.

Decide whether the toy can be returned to shelf, or the piece can be replaced by a spare that you hold, or if the item is unplayable until the missing piece is returned (e.g. a jigsaw missing a piece).

From this screen you can also go the member's page to send them an email about missing pieces.

Pieces have been reported missing

Pieces from B048: 3 Fisher Price Rattles have been reported as missing, presumed at the house of Abbey Schinner

You now have the following options:

Toy can be returned to shelf.

These missing pieces aren't very important, no further action is required in SeTLS.

Return to toy

These pieces can be replaced

Spares are available and the piece can be immediately replaced. Click on the button below to mark the piece as replaced. The missing piece record will remain on the member's account.

Piece name	Replace some from spare
Rattle b	Replace from spare

The toy can no longer be borrowed in this state.

Click on the button below and the toy will be moved to M (Missing an important piece, so in storage), and will no longer be available for loan in SETLS.

Update toy record

Email Member

Go to this member's Missing Pieces page to send an email about this (and/or other) missing pieces.

Go to Member Page

If the toy is unplayable in its current state, choosing *Update Toy record* will change the status to *M* (Missing an important piece, so in storage), as seen below.
